

BAYSWATER

Lance Peters and his son Brad are being honoured for Scouting dedication.

Scouting service lauded

AFTER clocking up almost 20 years of involvement with Scouts, a Bayswater father and son have been recognised for their dedication.

Lance Peters and his son Brad, 26, part of the 2nd/3rd Bayswater Scouts, were both recognised with awards at the end of last year for their service to the organisation.

Lance was awarded a leader service award, known as a silver wattle, for his 18

years of service, and Brad the Baden-Powell Award, the highest award a Scout can receive,

Brad was also awarded the W.F. Waters Rover Service Award, which acknowledges those who have contributed to Victorian Roving and provided outstanding service to the section.

Lance said when Brad started Scouts as a young boy, there was a shortage of

leaders, so he volunteered to help out, and hasn't looked back since.

He said Scouts offered many opportunities, and seeing children's enjoyment was fantastic.

The 2nd/3rd Bayswater Scouts runs cubs (8-11 year-olds), scouts (11-15 year-old), venturers (15-18 year-olds) and rovers (18-26 year-olds). They meet in Station St, Bayswater.
